

# *The Cormier Family: Reaching the Deaf of Kenya With The Gospel of Christ*

July - August 2018

Dear Pastors, Supporters, and Praying Friends,

In June and July, our family stayed busy on the road visiting our supporting churches. The greatest blessing so far has been the opportunity to get reacquainted with people who have faithfully prayed and supported our family more than ten years. We deeply appreciate each one of you who have stood behind us holding the ropes.

On August 9th I flew to Kenya to teach Bible College classes for both the Deaf and hearing. Because of a thunderstorm in Chicago which caused me to miss my subsequent flight, the 29-hour trip turned into a 43-hour marathon! I soon adjusted to Kenyan time, however, and after that, the weeks I spent in Kenya went smoothly.

Deaf Bible College went well as we completed our study of 2 Samuel. A Deaf lady named Naomi was able to attend this time after having missed classes for several years because of an illness. Please pray for Naomi as she must now undergo dialysis twice a week.

During hearing Bible College, my students and I continued our study on music. It has been eye-opening as we have sought to contrast Godly music with that which Satan and this world has to offer.

What a blessing it was for me to once again preach to our precious people at Karen Baptist Church! I was encouraged to see that attendance at KBC has been good as faithful men in the church continue to lead and minister there in our absence. Upon my return to Kenya in November to once again teach Bible College, Moses and Helen, a faithful couple in the church will be married. It has blessed my heart to watch Moses and Helen do things God's way.

On August 28th, I arrived back in Louisiana to pick up my family for more travels. During the next three months, we will be visiting the Northeast, the east coast, and finally the Midwest again before I return to Kenya in November to teach at the Rift Valley Baptist College. We covet your prayers as we continue our furlough travels. It is our desire to be a blessing to those who have long been such a blessing to our family.

Because of Him,  
B.J. Cormier
