

# *The Cormier Family: Reaching the Deaf of Kenya With The Gospel of Christ*

January/February 2021

Dear Pastors, Supporters, and Praying Friends,

Greetings in the Name of our Lord Jesus Christ. We hope this letter finds you well as you continue to serve the Lord in your corner of the world.

Here in Kenya, our family is doing well. Seth and Sabrina are more than halfway through this school year. Shanna spends her time coloring, working puzzles, and gathering wild flowers from the yard. Our youngest daughter, Stacy, just learned to stand by herself on her own two feet. She will be walking in no time! During the morning hours, Jessi keeps busy homeschooling our older two children and mothering our younger two. In the afternoons, she enjoys trying out new recipes in the kitchen.

Sometime in the near future, we are planning a family trip downtown to get some needed paperwork underway. We need to get a passport for Stacy, and Jessi's and Seth's passports need to be renewed. We are praying that all of this will go smoothly and get accomplished in a timely manner.

At Karen Baptist Church, some new classes are starting up. Beginning in March, on Wednesday evenings, I will be teaching two separate classes. The first class will be a homiletics class for some of the men in our church who want to learn how to preach. I really look forward to teaching these men. During the second class period, I will be teaching our people about music—the history of music and how to discern between Godly music and worldly music.

In addition to our Wednesday night classes, Karen Baptist Church is now able to hold Sunday School classes again for all ages. It has been a full

year since our children have been able to meet for their Sunday School classes and the adults for the adult Bible study. Sometimes, it's easy to take things for granted until they are suddenly taken away from you. Then you realize how much those things mean to you. Our children as well as their teachers have sorely missed the Sunday School hour. What a blessing it is to have that freedom restored again!

Hearing and Deaf Bible College classes for the Rift Valley Baptist College are scheduled to meet again during the first and second weeks of April. Please be much in prayer for us during those two weeks as there will be some challenges to work through because of Covid restrictions. Also, please pray that the students will arrive safely in Nakuru for classes and that their hearts will be open to learn the Word of God.

Thank you for all of your faithful prayers and support of our family as we minister here in Kenya. We are also grateful for the birthday cards that you faithfully send to our family. Sabrina and Shanna turned nine and four in January, and Stacy will celebrate her first birthday in March. Seth's birthday will be in April. It's hard to believe that our oldest will be soon be fourteen!

May the Lord bless you richly for the blessing that you are to our family and to the ministry here in Kenya.

Because of Him,  
B.J. Cormier
